Due to the COVID-19 pandemic, many patients are unable to get a tissue biopsy for genomic testing at initial presentation of advanced cancer or upon its progression. Guardant Health has adopted a number of measures to enhance access for patients.

**MOBILE PHLEBOTOMY SERVICE**
In-home blood draws reduce the need for patients to come into your practice

**TO REQUEST MOBILE PHLEBOTOMY**
1. Fill out the Guardant360 Test Requisition Form (TRF)
2. Write “OPS” in the comments section at the bottom of the TRF
3. Fax the TRF to 1-833-530-3776
4. Guardant Health Client Services will inform our partner Guardian Medical Logistics that an in-home blood draw is needed
5. A phlebotomist will schedule time with your patient for a Guardant360 blood draw in the safety of their residence

**EXPANDED PATIENT ASSISTANCE**
The Guardant Access Program now covers COVID-19-related financial hardships

- Patients who have out of pocket (OOP) obligations including co-pays or deductibles associated with Guardant360 and have been impacted financially due to the COVID-19 pandemic may qualify to have their OOP costs waived for a limited time
- If any of your patients have recently received a bill from Guardant Health and are facing COVID-19 related financial hardships, please contact Client Services at 1-855-698-8887

Guardant Health remains committed to providing the highest level of service to your patients and practice during this challenging time.
