Memories Live (www.memorieslive.org)

Mission

Memories Live creates free legacy films for individuals with life-limiting illnesses, capturing stories, wisdom, and personal messages for loved ones.

How It Works

- Eligibility: Individuals with life-limiting illnesses may participate at no cost.
- Connect: Reach out via email or phone to begin the process.
- Planning: A question guide helps prepare meaningful stories and themes.
- Filming: Available in-person in the NY/NJ area or virtually anywhere.
- Editing: Videos are crafted into chapters; photos can be included in a slideshow.
- Delivery: Final videos (~45 minutes) are delivered digitally in about two weeks.

Key Details

- Filming time: ~60 minutes
- Final movie length: ~45 minutes
- Cost: Free (funded by donations)
- Email: kerry.glass@memorieslive.org

Why It's Valuable

- Helps preserve stories, voice, and presence for families.
- Provides comfort during anticipatory grief and after loss.
- Creates therapeutic opportunities for reflection and connection.
